DDR Terms and Conditions

Our service commitment

This agreement outlines our service commitment to an investor in respect of the DDR arrangements made between you and us (User ID 032 827). It also sets out your rights and responsibilities.

- *Initial terms of the arrangement*
In terms of the DDR arrangement entered into with an investor, we undertake to periodically debit, from your nominated financial institution account, a specified amount or amounts for deposit into the specified Trust(s). The minimum monthly amount investors may nominate through the DDR is \$200.
- *Drawing arrangements*
Deposits will be deducted from your financial institution account on the 15th day of each month or nearest business day after the 15th day of the month. We may, at any time by notice, suspend or terminate the drawing arrangement or change the operation of your DDR facility.

Investors' rights

Changes to the arrangement

- You can stop an individual debit, cancel or suspend your DDR facility, by giving written instructions to us. This may be restarted by completing a new DDR form.
- You can alter the monthly payments by forwarding to us a new DDR form.
- We will endeavour to act upon an investor's request within 10 working days of receipt of the request.

All correspondence should include an account number.

Disputes

If you believe that a debit has been incorrectly made or processed, or have any query or dispute in relation to your DDR facility, you can contact a Client Services Representative on 1300 730 032 (or +612 8274 2700 if calling from New Zealand).

Confidentiality

All information held by us in relation to your DDR will be kept confidential, except where:

- such information is required to be provided to our financial institution to initiate, change or cancel an investor's drawing arrangement;
- disclosure is required or authorised by law; and,
- you authorise, or otherwise give your consent to, the release of the information either directly or through a duly appointed agent or attorney.

Investor obligations

It is your responsibility to ensure:

- your nominated account can accept direct debits;
- there are sufficient cleared funds in the nominated account on the drawing date; and,
- you advise us if the nominated account is transferred or closed.

In the event that your debit is dishonoured or rejected, we will notify you in writing. We may, without notice, cancel your DDR facility if there are insufficient funds in your account to honour the direct debit. Should we be charged any dishonour fees as a result of insufficient funds in your account, then we may deduct these charges from your investment with us. To avoid dishonour fees, you should always ensure that there are enough cleared funds in the account prior to a direct debit payment.
